Hensci leaders,

My name is Ben Yahola, and I am a member of the Muscogee (Creek) Nation. I am writing to ask for your assistance as I

have been attempting to utilize our new citizens FOIA law, with no luck.

I hope you are investigating the Looped Square Meat Processing Plant that is being opened by my Nation for pollution. It is dangerously close to the Eagle Creek. I am concerned for the water there, plus the drinking water for people. I have been desperately trying to get answers to questions about this facility via FOIA requests, but my Nation is not being helpful.

This is a copy of the letter I am sending to the Attorney General of my Nation today. It is just for your information.

MVTO, Thank you for your time,

Ben Yahola
